

Burlap Accessories Holder

WHAT'S NEEDED

Westcott Hot Glue Gun and Glue Sticks
Burlap Fabric
Picture Frame
Westcott Scissors

STEPS

STEP ONE

Plug in your Glue Gun and wait for it to heat up. It turns red when heated so that will tell you.

STEP TWO

Trim your burlap to fit the size of your picture frame using Westcott Scissors.

STEP THREE

Use your Hot Glue Gun to glue the burlap fabric on the back of the frame.

STEP FOUR

Last, arrange your accessories and hang the frame then enjoy the beauty of your accessories!
