

Dreams for the World

WHAT'S NEEDED

Westcott Hot Glue Gun and Glue Sticks

Westcott Ergo Jr. 5" Kids Scissors

9" paper plate

Light-blue construction paper

White paper scraps

Markers or crayons

Foam cup

Hole puncher

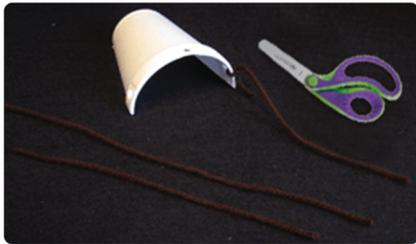

Yarn or ribbon

STEPS

STEP ONE

Draw and decorate a hot-air balloon shape on the paper plate. Cut out the drawing.

STEP TWO

Carefully cut the foam cup in half. Punch three holes along the top of the cup. Then cut three pieces of yarn and tie each to a separate hole.

STEP THREE

Using the white paper scraps, cut out two cloud shapes. Write your wish for the world on one cloud. Then write how you can help make your wish come true on the second cloud.

STEP FOUR

Glue the cup to the light-blue paper. Then glue the yarn in place and glue the hot-air balloon over the ends of the yarn. Finally, glue the clouds to the paper.
